KYUSHU RAILWAY COMPANY

The Report on Kyushu Railway Company 14th Issuance of unsecured bonds (Green Bond)(As of the end of March 2025)

Overview of eligible projects	Allocation (JPY bn)			Impact reporting
	Allocated amounts※	Total	Expected timing of allocation	
 <p>〈Development of the area around Nagasaki Station〉 The Nagasaki Station Building reduces the building heat load through its higher thermal insulation performance and greening, mitigates the environmental impact by adopting high-efficiency equipment and introduces AI-based energy optimization control technology as well as enhances customer comfort and considers the surrounding landscape.</p>	Allocated : 5.5 Unallocated : 0	5.5	-	Earned CASBEE for Buildings (New Construction) Rank A
 <p>〈JR Kagoshima-Chuo Building〉 Opened in April 2023, the JR Kagoshima-Chuo Building is a complex of commercial facilities, offices and parking. Its vision is “Building urban facilities and attracting customer traffic suited to the land gateway to Kagoshima.” In addition to initiatives to reduce environmental burden by adopting highly efficient equipment and using natural energy sources, the building was designed for ease of use by customers and with consideration for the surrounding environment, earning it CASBEE certification.</p>	Allocated : 4.5 Unallocated : 0	4.5	-	Earned CASBEE for Buildings (New Construction) Rank A
Total	Allocated : 10 Unallocated : 0	10
