2. Reason

The Company views the return of profits to shareholders as its most important management task. As such, the Company adopts a basic policy of carrying out stable and continuous dividend payments in accordance with its business performance.

With regard to dividends from surplus, the Company aims to achieve steady returns to shareholders while taking care to maintain sufficient internal reserves of capital. To that end, with the goal of keeping the consolidated payout ratio at the level of approximately 30% through the fiscal year ending March 31, 2019, the Company aims for a stable dividend per share.

In accordance with this policy and operating results in the fiscal year under review, the Company will issue a year-end dividend of ¥44.00 per share for the fiscal year ended March 31, 2018, ¥5.00 higher than the figure projected in the most recent forecast.
