

About implementation of operation suspension on the Nichinan Line

Due to the heavy rain caused by Typhoon 14, sediment inflows occurred at multiple locations on the Nichinan Line. We apologize for the inconvenience, but we will suspend train operation between JR Aoshima Station and JR Shibushi Station on the Nichinan Line for the time being.

✓Implementation period

September 27, 2021 ~ For the time being

✓Operation plan

| Section | Operation plan |
|--|--|
| JR Minami Miyazaki Station ~ JR Aoshima Station | Reduce the number of trains and operate. |
| JR Aoshima Station ~ JR Shibushi Station | Suspend operation for the time being. *Recovery prospects: Unknown |

* The limited express "Umisachi Yamasachi" (between JR Miyazaki Station and JR Nango Station) will be suspended for the time being.

* Future operation plans will be announced separately as soon as they are decided.

For more information, please check the latest information on our operation information Twitter accounts or on our official website.

Again, we apologize for inconvenience caused and thank you for your understanding.
